WHEREAS, Lennis Gonzalez of Madison (hereinafter "respondent") has been issued license number 003729 to practice physical therapy by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 376 of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. During the time period from March of 2000 through May of 2000, respondent was employed part time at Talmadge Park Health Care Center in East Haven, Connecticut.
2. On approximately March 18, 2000, respondent completed an initial evaluation and treatment plan for resident M.S.
3. Respondent failed to conduct interim assessments, modify the treatment plan, and conduct a discharge assessment on M.S.
4. Respondent failed to properly supervise Marylee Cameron, Physical Therapy Assistant.
5. The above-described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-73a.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Board of Examiners for Physical Therapists

(hereinafter "the Board"), this Consent Order shall have the same effect as if proven and ordered after a full hearing held pursuant to §§19a-14 and 20-73a of the General Statutes of Connecticut. 1. Respondent waives her right to a hearing on the merits of this matter.
2. Respondent's license number 003729 to practice as a physical therapist in the State of Connecticut is hereby reprimanded.
3. Respondent's license shall be placed on probation for a period of one year under the following terms and conditions:
 - a. Within the probationary period, respondent shall attend and successfully complete twenty hours of continuing education in ethics and scope of practice for physical therapists and physical therapy assistants, pre-approved by the Department.
 - b. Within ten days of the completion of such coursework, respondent shall provide the Department with proof, to the Department's satisfaction, of the successful completion of such course(s).
4. All correspondence and reports are to be addressed to:

5. Respondent shall comply with all state and federal statutes and regulations applicable to her licensure.
6. Respondent shall pay all costs necessary to comply with this Consent Order.
7. Any alleged violation of any provision of this Consent Order may result in the following procedures at the discretion of the Department:

- a. The Department shall notify respondent in writing by first-class mail that the term(s) of this Consent Order have been violated, provided that no prior written consent for deviation from said term(s) has been granted.
 - b. Said notification shall include the acts or omission(s) which violate the term(s) of this Consent Order.
 - c. Respondent shall be allowed fifteen (15) days from the date of the mailing of notification required in paragraph 7a above to demonstrate to the satisfaction of the Department that she has complied with the terms of this Consent Order or, in the alternative, that she has cured the violation in question.
 - d. If respondent does not demonstrate compliance or cure the violation by the limited fifteen (15) day date certain contained in the notification of violation to the satisfaction of the Department, she shall be entitled to a hearing before the Board which shall make a final determination of the disciplinary action to be taken.
 - e. Evidence presented to the Board by either the Department or respondent in any such hearing shall be limited to the alleged violation(s) of the term(s) of this Consent Order.
8. In the event respondent violates any term of this Consent Order, respondent agrees immediately to refrain from practicing as a physical therapist, upon request by the Department, with notice to the Board, for a period not to exceed 45 days. During that time period, respondent further agrees to cooperate with the Department in its investigation of the violation, and to submit to and complete a medical, psychiatric and/or psychological evaluation, if requested to do so by the Department; and, that the results of the evaluation shall be submitted directly to the Department. Respondent further agrees that failure to cooperate with the Department in its investigation during said 45 day period shall constitute grounds for the Department to seek a summary suspension of respondent's

license. In any such summary action, respondent stipulates that her failure to cooperate with the Department's investigation shall constitute an admission that her conduct constitutes a clear and immediate danger as required pursuant to the General Statutes of Connecticut, sections 4-182(c) and 19a-17(c).

9. In the event respondent violates any term of this Consent Order, said violation may also constitute grounds for the Department to seek a summary suspension of her license before the Board.
10. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
11. This Consent Order is effective on the first day of the month immediately following the date this Consent Order is accepted and ordered by the Board.
12. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Board in which her compliance with this Consent Order or with §20-73a of the General Statutes of Connecticut, as amended, is at issue.
13. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department from taking action at a later time. The Department shall not be required to grant future extensions of time or grace periods.
14. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that she may have under the laws of the State of Connecticut or of the United States.

15. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
16. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Board. Respondent understands that the Board has complete and final discretion as to whether this executed Consent Order is approved or accepted.
